## Data protection

WES is committed to protecting your privacy and has a policy of not passing your personal contact details to any third party without your prior consent. As a Data Controller, WES takes all reasonable measures to prevent unauthorised and unlawful processing of data.

Your title, preferred name, surname, preferred postal address, telephone number and e-mail address will be made available to other Members for private use only. If you wish your entry to include your name only, with no contact details, please tick here

On occasion, WES uses e-mail to pass on information about WES events and activities (for example our annual conference or any local Cluster activity). Please tick this box if you do not want WES (including WES Cluster Contacts) to e-mail this information to you

***I confirm that the information I have supplied in this form is true and correct and I understand that this information will be held in a database for membership administration purposes.***
