

# VIRTUAL CAREERS FESTIVAL 2020

for University students

## Women in Engineering

In Collaboration with:  
WOMEN'S ENGINEERING SOCIETY

**Monday 2nd November**

**Registration is now live!**

**Ever considered a career in engineering or technology?  
Looking for some opportunities for when you finish University?**

Join the Women in Engineering & Tech Careers event to participate in a panel discussion focusing on diversity and inclusion (D&I) of women in engineering and technology roles along with the opportunity to take part in direct-information sessions with employers.

The Women's Engineering Society is a charity and a professional network of women engineers, scientists and technologists offering inspiration, support and professional development. Working in partnership, they support and inspire women to achieve as engineers, scientists and as leaders; they encourage the education of engineering; and they support companies with gender diversity and inclusion.
